DEAR CHURCH,

As we continue to keep Jesus first before all things, we are making an unprecedented impact. Our combined efforts have proven that God will always honor our faithfulness beyond our human measure. As our journey continues, join me in praising God for all that has been accomplished through our FIRST initiative so far. Our commitment is to Christ, yet our journey is together, so let's keep going, keep praising, and most importantly, let's keep putting Christ FIRST before all things!

BEFORE ALL THINGS

IN OUR CHURCH

NOBODY DOES FAMILY MINISTRY LIKE NORTHVIEW!

We have been **blessed** as a church to bring families together for a **multi-generational** experience called **FX**! This high-energy, memory-packed event occurs four times a year to serve families and those within our local communities. **We like to say that FX is when kids bring their parents to church!** Through the **FIRST** initiative this quarter, we hosted FX at our Fishers, Kokomo, and Westfield campuses, where **hundreds** of families learned about what it means to be **courageous** by trusting in God! We look forward to our upcoming FX experiences as we continue to bring families together for **discipleship** and irresistible **FUN**!

IN OUR COMMUNITIES

OFFICIAL LAUNCH OF NORTHVIEW NETWORK

We recently hosted a gathering for fellow pastors that allowed us to pour into over **170 leaders** from **80 different churches**. This is **just the beginning** of Northview sharing what the Lord has freely given to us so that other churches can further their reach with the gospel of Jesus Christ. This event was the first of many gatherings to come from the new **Northview Network**!

This network will connect churches throughout our **community, nation, and world**. As a church, we are excited about this opportunity for Northview to be **radically generous** to other churches in an effort to **equip** and **encourage** other churches and leaders. Our goal through Christ, is to help provide resources and coaching to **help churches thrive**. We strongly believe that every community needs a thriving church to further God's mission here on Earth. It is our belief that the church is the **only true hope** of the world, and we count it a blessing and a privilege to equip other churches through the Northview Network to share the **hope of Christ** within their communities!

IN OUR WORLD

HELPING PROVIDE HEALTHCARE IN UGANDA

In 2022, we partnered with **Bright Hope Uganda** and provided a much needed medical clinic. Through this clinic **988** patients were seen in which **249** were treated for Malaria and **4** were treated for TB.

"This was unprecedented. We have never seen this in our community before, that people can receive free medication of all sorts and glasses! Some of the patients had been to the government's health centers in their communities but hadn't gotten medication prescribed by the doctors but were instead instructed to go buy them. But they were surprised when they received all for free at the camp." - Herbert

Thank you Northview for your generosity which allowed us to share the gospel and provide healing for **hundreds** in Uganda.
