

DAY 13. — OUR COMMUNITIES (CAMPUSES & PARTNERS)

“Keep loving one another as brothers and sisters. Do not forget to show hospitality to strangers, for by so doing some people have shown hospitality to angels without knowing it. Continue to remember those in prison as if you were together with them in prison, and those who are mistreated as if you yourselves were suffering.”

HEBREWS 13:1-3

The Way of Christ is radical in our world today. We are called not just to love and serve those inside the church, but those outside the body of Christ too. We have a unique opportunity at Northview since our church exists in several communities around Indiana. Just as Christ did, we are now to sacrifice and care for the ones in our community that are hurting and lost. The Christian faith is not private, nor is it inactive. The invitation today is to pray, but the life-long call is also to serve.

PRAYER:

Take this time to pray for each of our Northview Campuses and the communities they are in. To learn more about our Campus partners and how to serve in your community, visit our website at northviewchurch.us/locations.
