

DAY 08. — OUR WORLD (GLOBAL PARTNERS)

"The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'"

MATTHEW 25:40

Becoming a disciple of Christ has global implications. You are now a part of a global church, global family, and global kingdom. The vastness and beauty of God is spread across the whole earth in each culture, people group, and individual. What an amazing gift that we get to be a part of it!

This also means that our brothers and sisters don't always live as close to us as we thought. The Christian family is designed to be a community of loving relationships where acceptance and service is consistently exchanged. And we're invited to not just receive those gifts but give them out to others on a global scale.

At Northview we support several global ministries who work to build kingdom culture in their contexts. We are a part of something so much bigger than ourselves!

PRAYER:
